Dear Parish Clerk

ADVANCE NOTIFICATION OF SURFACE WATER DRAINAGE IMPROVEMENTS
SCHEME: Hough Drainage Package, Hough on the Hill

I am writing to inform you that we are currently planning the above surface water drainage improvement scheme at Hough on the Hill. Although all dates are subject to change, these works are due to begin on the 1st July 2024 for up to 10 weeks.

As part of these road works, two road closures will be taking place within the village:

- Lower Road (between the eastern junction with High Road and western junction with New Hill) between 1st July and 19th July for a period of 2 weeks within these dates. The official diversion route for the road closures will be via High Road and New Hill in both directions.
- High Road (between the eastern junction with Lower Road and western junction with New Hill) between 15th July and 23rd August for a period of 4 weeks within these dates. The official diversion route for the road closures will be via Freiston Rd, A607 Main Street/Grantham Rd/Lincoln Rd/Honington Rd, North Along C412 Hough Rd/Grantham Rd in both directions. Two-way temporary traffic signals will be installed to complete the works following the road closure.
- Although the dates above show overlap for flexibility, the two roads will not be closed at the same time.

There will inevitably be some disruption during these works, but we will do our best to keep this to a minimum. This includes:

Lancaster House,
Lincoln LN1
1XX
www.lincolnshire.gov.uk

- Road closures on High Road to be limited to weekdays, Monday through Friday.
- Maintaining access for residents and emergency services throughout the project as far as reasonably practicable.
- Keeping pedestrian footways open to the public as far as reasonably practicable.
- Implementing a signed diversion route during closures.
- Doing our absolute best to carry the scheme out as quickly and efficiently as possible.

Your co-operation and understanding during these works will be greatly appreciated. Should you have any specific needs or requirements, or if you'd like further information, please do not hesitate to contact me on the telephone number given above.

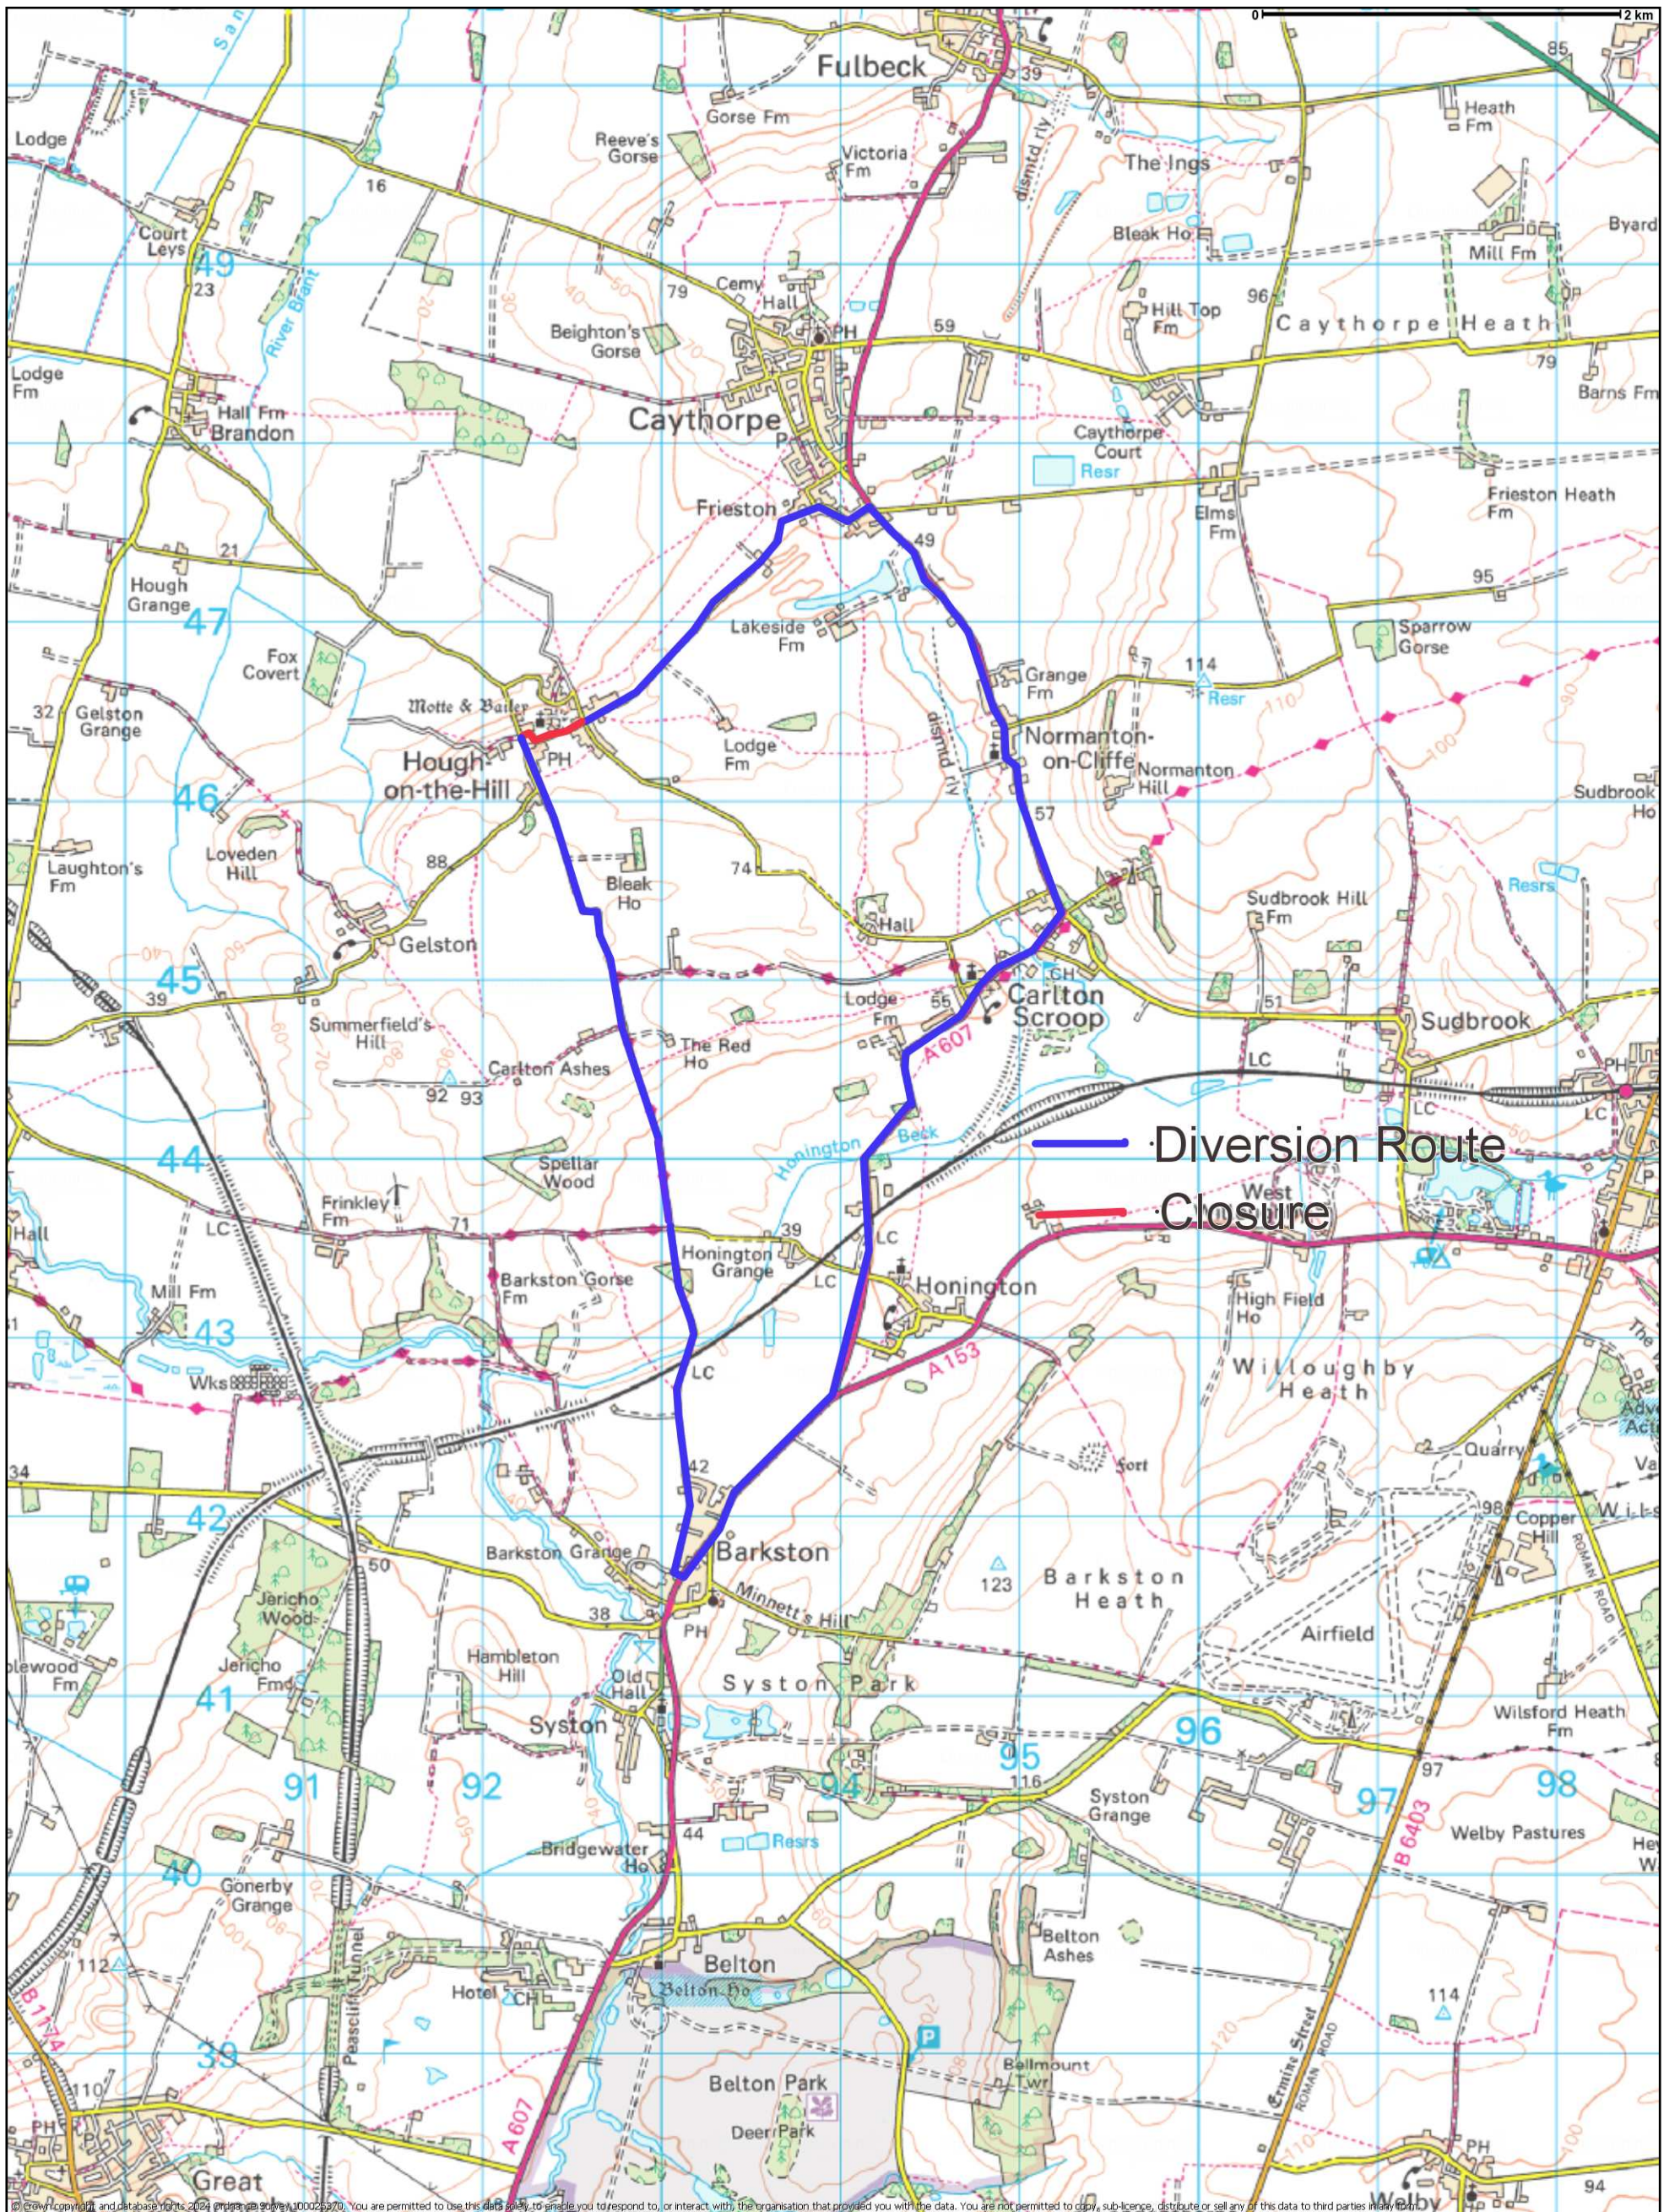

Yours sincerely

Chris Pearson

On behalf of Head of Highways
