			Every 30 mins	Hourly	1-3 Hourly	School Buses	Daily	Weekly	Bookable (e.g., Call connect)	
Call Connect Bus		To nearest bus station only								On Demand
Location							Comments			
Location(s) of Bus/Train Stop(s) within the Village		NONE								
Location of Nearest Bus/Train Stop outside the Village (If none within the Village)		Caythorpe or Claypole?								
Are there any specific school transport arrangements?		School(s) served					Service provided by;			
School Bus -		School transport have been contacted but have not yet replied to queries regarding which schools are served but it is thought that Grantham and Welborn schools (Will Rob) are covered if there is								

	a need - dependent on secondary school children in the village. Will need to be confirmed by School Transport Department	
--	--	--

Part 4: Supplementary Information

Any additional information you can supply on the following topics would be helpful

It is recognised that many of our villages have few shops and facilities, and residents are, therefore, heavily reliant upon travelling to other villages or towns. This can create linkages or relationships with other villages. Do you think this is the case with your village? If so, with which villages(s) do you have established/recognised ties?

None within walking distance - Caythorpe, Marston and Claypole are the nearest villages with a shop,

Are there any known infrastructure deficiencies in your village? If so, are these already being addressed?

Drainage - under assessment -

Are there any areas/issues which are of concern to the village (e.g., traffic, parking, lack of facilities, housing etc.)?

Lack of Parking spaces in front of the properties on Hough Road as you enter the village from Hough on the Hill

Three Garages behind the properties on Hough Road which are in a poor condition

Some villages are preparing a Neighbourhood Plan. Has this been considered by your village?

Yes - ongoing

Have the views of your community been sought on issues such as new housing etc?

Yes

Land will need to be found for new housing during the life of the new Local Plan (up to 2041) in some of the District's villages. Does the Parish Council feel that your village would wish to be a Growth Village?

No

Do you think that the village could accept:
a) small developments (e.g., 1 or 2 houses but not more than 5),
b) larger developments (e.g., 5-20 houses), or
c) infill developments only (i.e., single properties)?

C - infill developments only - single properties
